

I have already filled out an application for my school, how do I add the Stay in School Scholarship and Bridge the Gap Digital Wallet programs to my application?

1. Go to either programs website and click on the link or <https://online.factsmgmt.com/ga/aid/inst/4N28Z>
2. Click **Sign In**.

Oklahoma Stay In School Fund & Bridge The Gap Digital Wallet

On June 17, 2020 Oklahoma Governor Kevin Stitt [announced](#) three programs using Oklahoma's Governor's Emergency Education Relief (GEER) Fund. Application can be made for two of those programs, the Stay in School Fund and the Bridge the Gap Digital Wallet, here. You will fill out one application per family and that one application can be used for one or both programs.

The Stay in School fund provides for tuition assistance for low income families to provide stability and consistency to students by keeping them in the same school environment they have grown accustomed.

The Bridge the Gap Digital Wallet provides low income families an opportunity to purchase curriculum or technology to aid with students' education.

BEFORE APPLYING, please be certain your student(s) meets the following eligibility requirements:

Stay in School Fund

For assistance adding the Oklahoma GEER Programs to your application, contact FACTS at 844-649-2921

- On the lower right hand side of the Application Summary page, click **View Form**.

- The application will open on the Schools section, click **Add School/ Organization** and search for key words in the name of the program 'Oklahoma Stay in School Fund & Bridge the Gap Digital Wallet' or by zip code 73105. Check the box next to the program and click **Add**.

- Click the Students section on the left, expand the student details, and then click the checkbox next to the program to apply to the program for this student. If you are applying to the program for more than one student, you will repeat this step for each student. You can also add additional students in this section if needed.

- You will be prompted to fill out the program's questions. Click **Save & Continue** after updating each student's information.

Red "x"s on the left hand side will indicate which sections have program questions that need to be completed.

Click **Save & Continue** after completing each section.

After all questions have been answered, click **Save & Exit**.

I have started an application for my school but have not completed it. How do I add the Stay in School Scholarship and Bridge the Gap Digital Wallet Program to my application?

1. Click the Students section on the left, expand the student details, and then click the checkbox next to the program to apply to the program for this student. If you are applying to the program for more than one student, you will repeat this step for each student. You can also add additional students in this section if needed.

If you decide you do not want to apply to the school and only want to apply to the Stay in School Scholarship or Bridge the Gap Digital Wallet program, you can remove the school by deselecting the school's checkbox in the Students Section for all students listed on the application. After the school has been removed, the school's questions will no longer appear on the application.

If you are unable to finish the application for any reason, contact FACTS at 844-649-2921.
